

Dear All,

The theme of this year's ISACON 2024, "**Institutional Academics to Peripheral Practice in Anaesthesiology: Bridging the Gaps,**" reflects our collective commitment to staying at the forefront of advancements in our field. We have curated a comprehensive program that encompasses the latest research, innovative techniques, and practical insights with an aim to help in the growth and development of anaesthesiology in our state and the nation.

The scientific sessions, workshops, and panel discussions have been designed to cater to the diverse interests and needs of our esteemed participants, ensuring a well-rounded and rewarding experience for all. Please find the highlights of this year's program.
